1. Chapter 1: Ryan Hendricks and Riley Adam

It's been nine months since Spider-Man, who was Peter Parker died while battling the Green Goblin, the city was in shock, even after a few months the city has never gotten over the hero. Especially, the fourteen year old Ryan Hendricks. _ I Miss Spider-Man. _He thought as he, was drawing a picture of him in his English notebook.

"Ryan, you still with me?" His friend Reilly asked him.

"Nope" Ryan answered, as he closed his notebook.

"What do you want?" He asked Riley.

"Either help me with the assignment or I'll knock some sense into you" Riley answered, Ryan then looked at the computer screen.

"What type of help do you need?" Ryan asked.

"Actually I got it" Riley answered, then Ryan returned to drawing his Spider-Man picture. _At least the excursion, to the Baxter building tomorrow is something to look forward to. _Ryan thought as a little smile came onto his face.

Like Peter Parker Ryan lives in Queens. Ryan lives with his mother Sophia, and his father Jacob.

"Ryan, that's actually a good looking picture" Riley complemented.

"Not as good looking as you" Ryan replied. Riley blushed a little

clearly she took that as a complement, and no one had told her she looked good.

"Now since I just finished the work with, surprisingly some help from you, lets chill" Riley said.

"And do what?" Ryan asked.

"Just talk, we've only been pals since we got paired for the assignment" Riley answered. Ryan remembered when he got paired with Riley, who is the hottest girl in year ten, and the hottest girl in the school.

"I remember your reaction from when we got paired last week" Riley blurted out.

"Me too, I didn't expect to get paired with you, Riley Edwards the most beautiful girl in school, I also didn't expect to make a friend" Ryan answered. He said he didn't expect any of those things, because he is, weak, puny, and scrawny.

"Well, it happened and I can tell your happy" Riley said.

"I am" Ryan replied, then the bell for, the Ryan's next class went.

"Hey you wanna catch up during break?" Riley asked Ryan.

"Sure" Ryan replied.

"I'll be at the field" Riley said, Ryan then gathered his bag, with all his books in it, and started to make way to his house since he has a free period.

"Do you have a free period?" Ryan asked Riley.

"Yes" Riley answered.

"Well, I was going to go home and I was wondering if you would want to tag along" Ryan told Riley.

"Okay, I better get my bag" Riley replied, as she gathered her books.

"You can tag along" Riley said, as she brushed past Ryan. He caught up to Riley, in silence they walked to her locker she dumped her books and grabbed her bag.

"Onwards!" Ryan exclaimed.

****Ryan's home****

Ryan, accompanied by Riley approached the front door, and unlocked the door with his set of keys.

"Does your mom know you have a free?" Riley asked.

"No, and my dad doesn't either, they are both at work at these hours of the day" Ryan answered, as he opened the door and turned off the alarm.

"Hmm, it's a cosy place from the looks" Riley said.

"Say what got you interested in Spider-Man?" Riley asked Ryan.

"Well, he looked out for the city, and those jokes and his amazing abilities" Ryan answered, as he sat down on the sofa and Riley sat next to him.

"So what do you want to do?" Ryan asked.

"Do you have anything good to watch?" Riley asked.

"Let me see" Ryan answered as he stood up and went to the DVD stash in a drawer.

"The only thing I'm interested in isâ€¦ child's play" Ryan said.

"Me too" Riley replied.

****An hour or so later****

"Well that was fun" Ryan said as he turned off the T.V

"Well we are both lucky, since we have a free period before break time" Riley pointed out.

"Yeah maybe for the first time, my life is turning around" Ryan replied.

"What does that mean?" Riley asked.

"My luck is bad and I was so distant from people" Ryan answered, with a sigh. Riley stood up and walked next to Ryan.

"But I've gotten to, talk to you and you're not distant, you're just too darn ant-social" Riley replied.

"Except with you for some reason" Ryan said.

"Well maybe I've broken through the barrier" Riley replied, as she placed a hand on his shoulder. _Manomanomanoman. _Ryan thought.

"And the truth is I think, you're a decent guy that I'd be proud to hang out with" Riley said. _Wow this really is a turning point in my life. _Ryan thought.

"Now you wanna stay here and we can hang out, get to know each other, and become really good friends?" Ryan asked Riley

"Sure, plus I can't wait to see the other side of you" Riley answered, Ryan went into the kitchen, he was followed by Riley.

"You know, you could be just as smart as Peter Parker, with the way you got your grades, and you're the smartest kid, in the whole school" Riley complemented. Ryan blushed.

"And you're the most gorgeous and prettiest girl in the school" Ryan replied. Riley blushed at his remark.

"Thank you for the comment" Riley told Ryan.

"Hey what are friends for? They say good things about each other" Ryan stated.

"So true" Riley replied, as she sat down.

"You want anything to eat?" Ryan asked

"No thanks" Riley answered.

"You know this is the beginning of a beautiful friendship, right?" Ryan asked Riley.

"I know that and I would want nothing to change, our friendship Ryan Hendricks" Riley answered.

"Then, I think we should go for a walk" Ryan replied.

"Where to?" Riley asked.

"Maybe to the park, then after the park, we'll grab some coffee, if you want to" Ryan answered.

"Then what the hell are you waiting for, the park sounds fun and the coffee, I like coffee" Riley replied.

2. Chapter 2: The Field Trip

Chapter 2: The Field Trip

The next day Ryan woke up with a smile on his face because, he knew today is the day that he gets to go in the Baxter building and possibly, meet Reed Richards, leader of the Fantastic 4.

"Ryan you up yet!" His mother called from downstairs.

"Yes mom, I just woke up!" Ryan exclaimed, then he got out of bed and threw, on a pair of red denim jeans and a black short sleeved shirt, and put on, red canvas shoes.

"Jesus, any faster and you could've fallen down the stairs" Ryan's mother Sophia said, as Ryan came thundering down the stairs.

"Well at least it'll get me to school in time" Ryan replied, as he grabbed lunch, put it in his bag, grabbed a piece of toast that he knew his mother was going to have, and he took a bite out of it.

"I'm driving you to school young man" Sophia said, as she put another piece of bread in the toaster.

"Okay mom" Ryan replied as he put his lunch in his bag. Sophia, then grabbed her car keys, and Ryan followed his mom to her car and sat in the passenger seat.

****10 Minutes Later****

"Hey before you go here's your birthday gift" Sophia said and she handed Ryan a mint iPhone 6s plus.

"Thanks mom" Ryan said and he hugged his mom, then he exited the car, once his mom saw he had entered school safely, she drove off.

"Hey Ryan!" Riley called out and she walked up to him.

"What's up?" Ryan asked.

"Nothing I'm just glad we're going on a field trip today" Riley answered.

"When did you get that?" Riley asked Ryan as she noticed his new phone.

"My mom handed it to me in the car, since it's not in the box I figured it's already charged and ready for me to make my number" Ryan answered.

"Well in that case" Riley said, she opened her bag and grabbed her notebook. She wrote her phone number and handed the small piece of paper to Ryan.

"When you put your number in your phone, call this and give me your number understood?" Riley asked Ryan.

"Yeah sure thing" Ryan answered

****5 Minutes Later****

Ryan is on the bus on the way to the Baxter building.

"Are you exited?" Riley asked Ryan as she sat next to him.

"Yes, I hope the Human Torch makes an appearance" Ryan answered.

"Soâ€¦ did you make your phone number yet?" Riley asked Ryan.

"Yes I did and here it is" Ryan answered, as he handed a piece of paper to Riley.

****The Baxter Building****

Ryan has finally arrived at the Baxter building, he is exited and he can't wait to see what is to be shown. The class was taken in to the lobby of the Baxter building and that area was big on its own.

"Hi my name is Gwen Stacy and I'll be your tour guide for today, I am also head intern" Gwen informed everyone. _That's one of Peter Parker's friends. _Ryan thought.

"If you come with me I will be taking you, to our arachnid lab where we, try to make a successful cross species and no, I will not be taking any questions about Peter Parker" Gwen informed then Ryan and his class was led into an elevator and was taken to the lab.

"God I hate those things" Ryan muttered, under his breath.

"From the look on your face you're afraid of spiders" Riley told Ryan

"Yeah, and it's weird because Spider-Man is my idol" Ryan replied. _Wait what's that feeling on the back of my neck? _Ryan asked himself, then he felt a sharp pain.

"Ow" Ryan said quietly. _That hurt a lot. _Ryan thought, as he rubbed the back of his neck. He felt something where he was bitten, and he pulled on the strand of web, and he felt something, it wasn't moving so Ryan thought it was dead. He pulled the dead spider out and pulled the web out of the bite, and held the dead spider in front of him

"Where'd you find that?" Gwen asked Ryan, he looked at Gwen but his vision was unfocused, and he started to feel sick.

"What did you say?" Ryan asked.

"Where did you find that?" Gwen, repeated.

"On the floor" Ryan lied, then Gwen walked up to Ryan, he handed the now dead spider to Gwen.

"Now we may resume the tour" Gwen said, as she handed the spider over to a scientist.

****10 Minutes later****

The tour had finished and the class could explore the lab, but they were warned not to touch anything. Ryan was eying a spider when he started to feel light headed.

"Oh shit" Ryan mumbled, he shook his head, he was walking to Gwen to inform her that the spider actually bit him, but he collapsed before he could reach her, and the worse thing is that he's all alone in a separate room.

Riley then walked into the room, where Ryan is because she happened to hear Ryan black out without realising Ryan blacked out.

"Ryan!" Riley exclaimed, as she rushed to his aid, she knelt on both knees and she was, relieved to see that he was still breathing.

"Hmmâ€¦ Riley? What happened?" Ryan asked when he opened his eyes.

"You fainted, but don't worry, I'm sure it was nothing" Riley answered as she helped Ryan, up.

"Thanks" Ryan said

"For what?" Riley asked.

"For helping me up" Ryan answered as Riley helped Ryan up.

"It's no biggie" Riley replied, then she hugged Ryan. _Hamanahamana. _Ryan thought.

"Come on let's get back to the rest of the class" Riley told Ryan.

****Later in the day****

Ryan arrived home with bloodshot eyes and pale skin, he went upstairs before his parents could even see how sick he has become. _Must be a twenty four hour thing. _Ryan thought, he went to take off his shirt, and that was the last thing he did before he succumbed to unconsciousness.

3. Chapter 3: A Loss

Chapter 3: Scarlet Spider Part 1

Ryan woke up the next day on the floor. _Wait how'd I get here? _Ryan asked himself. Then he remembered the spider incident, from yesterday. Ryan got up and went in the bathroom to wash his face, but what he saw in the reflection, was hard to believe. _No way. _Ryan thought, he inspected his torso and saw he had muscles on his arms and he also, had a six pack, then he walked out of the bathroom, and went back in his room to get changed. _Hmm this will do. _Ryan thought as he grabbed a long sleeved red shirt. _At least my pants haven't crinkled badly. _Ryan thought and he went downstairs.

"Hmm, I'll just take an apple as I already slept in too much mom" Ryan said.

"Okay, I'll grab my car keys" Sophia replied.

****10 Minutes later****

Ryan, sprinted through the gates of Midtown High, which has been different ever since Peter Parker has passed away.

"Crap, I'm so late" Ryan said to himself, as he opened his locker and he grabbed his history books, then he closed his locker and made a dash for class.

"Now how didâ€¦ Ryan why are you late?" Ryan's teacher asked him.

"Iâ€¦ slept in" Ryan replied, then he saw Riley motioning for him to sit next to her and he reluctantly did.

"Wow you look better than yesterday" Riley whispered.

"I know" Ryan replied.

****20 Minutes later****

"Ryan Hendricks please report to the principal's office" the principal said over the intercom. Ryan grabbed his books and placed them in his bag. As he was walking to the principal's office he was thinking what he could have done wrong. Ryan approached and entered the principal's office, he saw his principal named Jenifer, Ryan also spotted George Stacy.

"What's going on?" Ryan asked George.

"Two minutes ago, there was a shooting" George answered.

"Okay" Ryan said.

"Ryan is your mother Sophia Hendricks?" George asked just to confirm, what he already knows.

"Yes" Ryan answered.

"She was the victim of the shooting" George told Ryan

"Is-is she okay?" Ryan stammered, trying to hold back tears. George bowed his head down.

"Be advised we got the 10-10 perpetrator, surrounded in a house in Queens, Forest Hills officers on scene" a police officer said over the radio. Ryan then ran out of the, office.

Ryan was, running towards Queens, he took a short cut in an ally, when he was stopped by petty thugs.

"Look here, got a kid, maybe we can see what he has to offer us" a thug said.

"I got nothing" Ryan growled.

"That's what they all say, until we give them a reason" A thug replied, as he pulled out a switch blade. _What's that tingle on my neck? _Ryan thought, as he eyed the knife, as the man edged closer to Ryan the tingle, went into a frenzy. When the thug was standing right in front of Ryan, he punched the thug in the face, he then jumped in the air to dodge a retaliation attack, and Ryan then found himself sticking to the side of the wall.

"F-freak!" A thug shouted and then they all ran away. _I-I got the abilities of Spider-Man. _Ryan thought as he jumped back to the floor, he then continued to run to Queens.

****5 Minutes later****

Ryan entered Queens and he could immediately, hear the sirens of the police cruisers approaching scene. _Time to put these abilities to work. _Ryan thought. _But first I need to hide my face. _Ryan then ran home and grabbed a blue hoodie, and a red bandana to muffle the sound of his voice.

"I'm coming for you" Ryan muttered under his breath, as he climbed out of his bedroom window and then he climbed up to the roof of his house, he could hear the sirens of the approaching police cruisers.

Ryan jumped on the house neighbouring, the house under siege, he jumped onto the roof, and he climbed in through the back of the house.

"I gotta get away" The killer mumbled.

"You'll never escape from me murderer!" Ryan shouted, as he dropped from the ceiling and onto the floor, Ryan's Spider-Sense went off, he

then dodged a bullet. Then he punched the killer in the face, the killer was then sent flying through a window, and the police arrested him. _Better get a change of clothes. _Ryan thought as he climbed, out of the window of the bedroom and he jumped from rooftop to rooftop, until he reached his house, Ryan climbed in the window and, put on a different set of clothes. There was then a knocking coming from the front door. He went to answer it.

"Riley, what are you doing here?" Ryan asked with sadness in his voice.

"I heard what happened" Riley answered, she walked in and sat on the sofa, in the living room, Ryan sat next to her.

"They got the dude" Riley told Ryan.

"That's good to know" Ryan replied.

"So what can I do to cheer you up?" Riley asked Ryan.

"Just being there for me in my toughest times, will be enough" Ryan answered

"Okay you wanna watch a movie?" Riley asked.

"No you go home, I just want to be left alone" Ryan answered. He stood up and, went to confine himself in his room. _I gotta make myself a costume. _Ryan thought. Ryan looked at the Scarlet Spider 2012 poster. _Looks like I got a costume design. _Ryan thought. Then he heard his door open.

"Ryan I'm going home, I'll see you tomorrow" Riley said.

"Don't go Riley I'd like it if you stay longer" Ryan replied.

"What do you want to do?" Riley asked.

"I just want to be with my friend" Ryan answered, then Riley walked up to Ryan, and she hugged him.

"So, what's going to happen now that she's gone?" Riley asked.

"It's just gonna be me and my dad now" Ryan answered with a sigh.

"Well, you got me as well Ryan don't forget that" Riley replied.

"Yeah I'd be handling this much worse without you" Ryan said, then he hugged Riley.

4. Chapter 4: First Outing As A Hero

Chapter 4: Scarlet Spider Part 2

While Riley was at school sketching a, basic pose of his Scarlet Spider 2012 outfit he'll be using to fight crime.

"Hmm, what's my bestie up to?" Riley asked Ryan as she approached

him.

"Uh, nothing much" Ryan answered as he closed his notebook.

"Well do you want to get out of the cafeteria?" Riley asked.

"Yes I do" Ryan answered as he stood up.

"Where do you want to go?" Ryan asked Riley.

"Bleachers" Riley answered, Ryan began to walk, and then he was stopped by the, school bully: Jacob Mors, who is the strongest person in the school.

"Leave him alone Jacob" Riley said.

"Tring to steal my girl?" Jacob asked Ryan.

"No I'm not" Ryan answered, he brushed past Jacob and his Spider-Sense went off.

"Nice try fish face" Ryan said as he grabbed Jacob's arm, and it stopped in its tracks. Then everyone in the cafeteria, started to whisper and murmur, due to how Ryan is holding Jacob's arm in position without a sweat.

"Leave me alone" Ryan said, as he let go of Jacob's arm and he continued to walk out of the cafeteria.

"Yeah go get your pathetic mother, Hendricks you always get her to sort your mess" Jacob said.

"Leave my mother out of it" Ryan replied, as he stopped in his tracks with his fists clenched, and his muscles tensing.

"Or what Hendricks?" Jacob asked, Ryan turned around and his right fist connected to Jacob's nose, causing it to break, and blood instantly pouring out, while he was moaning in pain, on the floor. Ryan then walked out of the cafeteria, he ignored Riley as she was calling to him. Ryan then proceeded to go to his locker, he opened his locker and he saw something he thought he would never see, in his locker. _Why is Peter Parker's Spider-Man costume in my Locker? _Ryan thought, then he immediately slammed his locker shut.

"WHAT THE FUCK!?" Ryan screamed, then he proceeded, to run out of school. _I gotta get away from it all. _Ryan thought, as he put his phone on silent, then he proceeded to climb up a wall, once Ryan reached the roof he began to traverse the rooftops. _Hmm maybe it's time I make my costume. _Ryan thought. As he diverted his course to Times Square, where he was going to go to the, material shop.

When Ryan arrived, at the shop, he went to the part that, has the spandex and he selected red and black, and bought lengths to make two costumes.

"Do you have red one way lenses?" Ryan asked the shopkeeper.

"Yes I'll go get them" The shopkeeper answered, a few moments later the shopkeeper, came back with red lenses, Ryan spent another fifteen dollars for the lenses and with two bags he eft the shop.

When Ryan got home he put the bags upstairs and he heard the door unlock. _I'm fucked. _Ryan thought.

"Ryan we need to talk!" Ryan's father exclaimed as he got in through, the front door. Ryan sighed and he walked downstairs where he was greeted by an angry father.

"So I am at work and I get a call, that you broke a kid's nose" Ryan's father stated.

"He brought mom in an argument and I snapped" Ryan replied.

"Well, I got a call from the family and they understand the circumstances, with your mother, so they won't be suing us, we only have to pay half of a one thousand dollar hospital bill" Ryan's father stated. Ryan nodded and went back upstairs, once in his room Ryan began to make the measurements, for his costume so he can make a spare one as well, as make one to use. _With great power comes great responsibility, that's what Peter always said. _Ryan thought.

****A few hours later****

Ryan had made both costumes and he wore one under his clothes. He walked downstairs to ask his father a question.

"Can I go to the city?" He asked.

"Yeah sure, but stay safe" Ryan's father answered and then Ryan, with his bag walked out of the house and, when he found a secluded area he, grabbed his mask gloves and boots, and he put them on, then he shoved his clothes in his bag.

Ryan began to traverse the rooftops. _Man this is exhilarating. _Ryan thought as he jumped to a rooftop.

Ryan reached the general area of the city where tourists would be, then his Spider-Sense went off, and he scanned the area. He then spotted a petty thug and he jumped in the air and gracefully landed in front of the, thug.

"What the-AARGH!" Ryan jabbed the thug in the face and the thug dropped a purse Ryan, picked it up.

"Who does the purse belong to?" Ryan asked, a woman stepped out and collected it.

"Thanks" The woman said, as she grabbed her purse.

"Who are you?" The woman asked Ryan.

"You can call me the Scarlet-Spider" Ryan answered and he then jumped on a neon sign and began to crawl along the walls. _That felt pretty good, helping someone in need. _Ryan thought as he jumped on another building. Ryan's Spider-Sense then tingled, he looked down and saw another mugging. Ryan then ran downwards to ground floor.

"Fore!" Ryan exclaimed as he dropped kicked the thug. Ryan saw the thug was trying to steal a phone and the woman approached Ryan.

"Oh thank you sir, I'm glad you're taking the initiative" A man said, AS Ryan handed him his phone.

"I'm glad I could help" Ryan replied as he started to scale, a wall. Ryan felt happy and warm on the inside because he was being praised by the people that he has sworn to protect. When Ryan reached the roof of the building he pulled out his phone from his hidden pocket and he checked, for missed calls and texts. He has several missed calls from Riley. So he decided to call took three rings and then Riley answered.

"WHERE THE FUCK HAVE YOU BEEN!?" Riley screamed, that caused Ryan to pull his phone away, from his ear, then he pressed the phone on his ear.

"I was just calming down" Ryan answered calmly.

"Well you should've called, I thought something had happened to you" Riley replied.

"Do you want to meet up at the coffee bean?" Ryan asked.

"Yes, I'll be there in a few" Riley answered and then she hung up. Ryan put his phone on the ground and then he took, traversed roof tops until he reached the spot he hid his bag, he changed out of his costume, and put it in his bag, then he made his way to the coffee bean.

"Ryan!" Riley called out once he came into her view, Ryan rushed over to her and sat down, on her table.

"So, this is my apology, me buying you coffee, and a walk around the city" Ryan stated, as he placed his hand, on Riley's hand. She smiled in response and she didn't move her hand away.

"What, do you want, a cappuccino a latte?" Ryan asked.

"A large latte" Riley answered then Ryan stood up and went to order the coffee. Once he went outside Riley stood up to grab the coffee.

"Let's go to Central Park" Ryan said.

****20 Minutes later****

Ryan and Riley were standing on a bridge in Central Park overlooking a lake.

"So, Riley now that we're here what do you want to do?" Ryan asked, as he turned to face her gaze, then what happened was unexpected Riley, placed her hands on Ryan's cheeks and she, pulled him in and she started to kiss him, Ryan then placed his hands on Riley's waist and he started kissing back.

5. Chapter 5: Getting A Job

Ryan felt like he was in a dream when he was kissing Riley.

"That, wasâ€¦ something else" Ryan said, as he slid his hand onto

Riley's to hold it.

"Well it was a good apology and plus I love you Ryan" Riley replied, with a smile.

"I love you to Riley" Ryan said and he kissed Riley one more time. They pulled out of the kiss.

"Did you hear about the new Spider-Man?" Riley asked.

"No I didn't" Ryan lied.

"People say he wears red and black, it's good that someone has taken, responsibility" Riley replied, as Ryan placed one arm around her waist.

"Now I'm sorry to say but I have to meet my mother" Riley told Ryan then she gave him a quick kiss, then she walked off. _At least it gives me time to be Scarlet-Spider. _Ryan thought. He was disgusted that he was being called Spider-Man, even he thinks he thinks doesn't deserve the title.

Ryan was crawling along a wall when his Spider-Sense went off. A jumped off the wall, and he landed conveniently landed on a speeding car.

"Shit I think, it's that new Spider-Man!" Ryan heard someone shout. Ryan then crawled to the passenger side of the car and grabbed a thug, and he threw him on the side of the road. _That had to hurt. _Ryan thought, as he crawled over to the driver's door. Without warning Ryan pulled the driver out of the window and threw him on the road as well. Then as the car stopped, Ryan jumped off, and people were cheering for him.

Ryan changed out of his costume and began to wander around, the city. He could hear people, total strangers talking about the new hero. He was proud that he had done something to help the city. _Maybe I should stay in costume while I'm not hanging with Riley. _Ryan thought as he ducked into an ally and he took off his clothes, and he stashed his bag under a dumpster.

"Woah, Spidey-Sense, is going nuts but to what?" Ryan asked himself as he perched on top of a neon sign. Then Ryan's Spider-Sense surged and he jumped up avoiding a fireball.

"Green Goblin" Ryan stated as he landed on the road. _God he must really hate spiders. _Ryan thought as he right crossed Green Goblin. Much to Ryan's delight the hit managed to stun Green Goblin, then he back flipped kicked Green Goblin sending him to the ground.

"Bag and tag!" A Shield soldier exclaimed, as he roped down from a helicopter followed by then others.

"Nice work kid, I think you deserve to be called Spider-Man" A soldier stated as he placed a hand on Ryan's shoulder.

"Thanks, but I think that's up to his wife" Ryan replied, then the soldiers left. Ryan sighed then he went back to the spot he changed, and he put on his clothes. He pulled out his phone. _Hmm, _I_ wonder if there's an internship, position at Stark Towers, maybe I can gain

access to the Avengers floor. _Ryan thought as he typed in Stark Internships, and he found a spot and he applied. Ryan wrote in he has a girlfriend, he's smart, he can draw and all of his talents.

****Ring, Ring****

Ryan saw the call was coming from Riley, so he answered it.

"Hey Ryan, you still in the city?" Riley asked.

"Yeah I was just going to, head to Stark Towers to take, a photo of it" Ryan answered.

"Okay I'll meet you there" Riley replied, then she hung up.

Ryan was looking at the front of Stark Towers and Ryan pulled out his phone, and took a photo of the building, Ryan looked at the photo and he smiled of how good it looks. Then he felt two hands cover his eyes.

"Guess who" Riley said

"Uh, is it Scarlett Johansson?" Ryan asked, playing along with what Riley was doing.

"Guess again" Riley answered.

"Is it my, attractive girlfriend?" Ryan asked.

"Yes it is" Riley answered, then she moved in front of Ryan and she kissed him, then Ryan returned the favour. Then Ryan got a text, so he went to look at it and it read:

Ryan Hendricks, Tony Stark is amazed by the resume you submitted, and he would like it if you could meet him now, at Stark Towers.

A huge smile cam on Ryan's face.

"What's got that beautiful smile on that handsome face?" Riley asked.

"I applied for an internship at Stark Towers and I got the position I got the message to meet him now" Ryan answered.

"I'm so happy for you!" Riley exclaimed and she kissed Ryan, then he went and answered Stark Towers, he walked up to the receptionist desk.

"Hi I'm Ryan Hendricks, I'm here to see Tony Stark" Ryan informed the receptionist.

"Okay head up the elevator, and it's controlled by an A.I" The receptionist replied.

****A few moments later****

Ryan stepped out of the elevator and walked into the Avengers floor.

"Uh kid what are you doing here?" Steve asked Ryan.

"Uh, Jarvis told me Tony was on this floor" Ryan answered

"Though I heard- Oh, you must be Ryan, Hendricks" Tony said, as he shook Ryan's hand.

"So does your resume actually say what you are?" Tony asked Ryan.

"Yes sir I would never lie" Ryan answered, as he crossed his heart. Then he noticed a woman, who was pregnant. _Oh crap, that's her. _Ryan thought. Nervously as he didn't think the first time seeing Liz Allen, was going to be him out of his costume.

"Hi" Ryan said weakly. Liz acknowledged, Ryan my smiling at him.

"Can I see some, of your drawings?" Liz asked Ryan.

"Yes" Ryan answered as he grabbed his notebook. He handed it to Liz, she looked blown away by the drawings and then she landed on the pages, with Peter masked and unmasked and with Liz herself in each of those pictures.

"Can I keep these?" Liz asked Ryan as she showed him the drawings.

"You can keep them" Ryan answered, then Liz carefully ripped out the two pages with the drawings of her and Peter.

"Thank you" Liz replied, she handed the notebook, back to Ryan and then she hugged him, Ryan hugged her too.

"How would you feel if I told you, you're my new armour designer" Tony told Ryan.

"Just completely shocked, and happy" Ryan replied. Tony nodded because he knew Ryan accepted the position.

6. Chapter 6: Child Birth

Chapter 6: Child Birth

Ryan, was sitting on the sofa on the Avengers floor in Stark Towers designing a stealth suit. Ryan then called Riley.

"Hey I'm just at Stark Towers" Ryan said.

"So what are you interning for?" Riley asked.

"I'm designing a stealth armour design for Tony Stark" Ryan answered.

"You are so lucky" Riley exclaimed.

"I know, and he says I can have guests over so tomorrow I'll bring you in" Ryan told Riley.

"Somebody help! I think I'm going into labour!" Liz shouted.

"Ah, crap Riley I gotta go" Ryan aid and then he hung up and rushed into Liz's room.

"What's happening?" Ryan asked Liz.

"I'm going into labour! The others are on a mission, in the negative zone! I need you to deliver the baby!" Liz shouted.

"I-I don't know how to do that" Ryan replied, then he pulled out his phone and he dialled 911.

"911 what's your emergency?" The operator asked.

"I got a friend here going into labour at Stark Towers on the Avengers floor" Ryan answered.

"Okay paramedics have been dispatched" The operator replied and Ryan then hung up.

"Paramedics are on their way" Ryan reassured Liz, as he went to sit down on a chair next to her.

"Okayâ€¦| thank you Ryan you're such a great friend" Liz replied as she grasped Ryan's hand.

"Do you mind telling me stories of Peter?" Ryan asked Liz.

"Sure what do want to know?" Liz asked Ryan.

"The things you are willing to talk about" Ryan answered.

"Well, we were at school one day, right and then the inheritor, Morlun came, I told Peter, his weaknesses because I knew he was Spider-Man before, he could tell me, I found out his secret, because I healed him after a mutant tried killing him, and the way he thanked me, sounded like Peter, and that's how I put two and two together, so when the inheritor showed up Peter ran, for it I was worried, then I can't remember when I got a voice mail from him,, saying if he doesn't make it that, he loves me and he would want me to tell everyone he knew that he was Spider-Man, that made me upset, then an hour later maybe less I got a text from Mary Jane to meet her at school, and that's when I was filled with joy to see Peter alive and well" Liz informed Ryan.

"Sir, the Paramedics have arrived" Jarvis said then they came, into the room and then they started to deliver the baby.

"Just breathe" Ryan said as Liz squeezed his hand.

"Push" A paramedic said. Then Liz pushed. Ryan was glad he could kind of, help Liz through this moment.

"Again" the Paramedic said. Liz pushed and then a baby was in the paramedic's arms.

"I-I think there's another one!" Liz shouted and the Paramedic wet to check and sure enough there is another baby.

"Don't focus on the pain focus on me, just focus on me" Ryan told Liz, and that's what she did she turned her focus to Ryan.

"Push" the paramedic told Liz. She did that and she found that she didn't feel as much pain when she was focusing on Ryan.

"Again" The paramedic told Liz, she pushed again and then there was another baby, in the Paramedic's arms. Then the umbilical cords were cut.

"You got a healthy pair of twins, a boy and a girl" The paramedic told Liz. She smiled as the babies were placed in her arms and one was placed in Ryan's arms.

"What are you going to name them?" Ryan asked Liz.

"Since I'm holding the girl I'll name her Jemma" Liz answered.

"What about Peter?" Ryan asked Liz.

"Yeah, it'll suit him well" Liz answered.

"Sorry to say but I better get to my design" Ryan told Liz apologetically.

"It's okay, I'll manage" Liz replied as Ryan exited the room and he returned to his notebook. Then he decided to call Riley.

"So what did you have to rush off to?" Riley asked when she answered her phone.

"I had to call 911 for paramedics, so they could deliver twins" Ryan answered.

"Okay, I am mentally scarred for life now" Riley replied sarcastically. Ryan laughed a little.

"Okay I better leave you to your work, I love you" Riley said.

"I love you too" Ryan replied then he hung up. He sighed if he was going to get close, to these guys he knew he was going to have to tell them about what he does in, his spare time. He sighed pretty loudly.

"Hey what's wrong?" Liz asked Ryan.

"I'm just thinking" Ryan answered.

"There is something on your mind" Liz stated.

"You know that new Spider-Guy?" Ryan asked Liz.

"Yes" Liz answered. Ryan opened his bag.

"I'm him" Ryan said as he pulled out his mask and he showed it to Liz. She grabbed the mask and held it in her hands.

"You're Scarlet-Spider?" Liz asked. Ryan nodded.

"Do you have powers?" Liz asked.

"Yes I do" Ryan answered and then he then jumped on the ceiling and then, he dropped to the floor. Liz was quite stunned to see that someone has the same powers as, Peter Parker.

"Yeah, people are calling me Spider-Man, but I want your approval to be called that" Ryan told Liz.

"Yeah, you got my approval, Spider-Man" Liz replied with a smile. Then the avengers came out of the elevator, Ryan quickly stuffed his mask back in his bag and zipped it up.

"I see you two have got acquainted well" Natasha said.

"Yeah like two peas in a pod" Liz replied.

"Heyâ€¦| somethings different about you" Steve pointed out.

"Well while you guys were, gone I went into labour, Ryan here called 911, and he didn't leave my side" Liz replied, in a thankful tone. Then Ryan's Spider-Sense went off.

"I gotta go, I just remembered I had to meet a friend" Ryan said. Liz knew Ryan was fibbing.

"Before you go I want to give you something" Liz told Ryan and she motioned him to follow. Once in her room, Liz grabbed a small box and gave it to Ryan.

"What's in it?" Ryan asked.

"Open it and you'll see" Liz answered.

7. Chapter 7: No Family, No Friends

Ryan opened the box, and he was stunned to see, what he has been given.

"I-I can't take Peter's web shooters" Ryan told Liz, as he closed the wooden box.

"Keep them, Ryan" Liz replied.

"Are you sure?" Ryan asked.

"Yes I'm sure" Liz answered as she left the room and went to check on her children. Ryan opened the box again.

"_Take them Ryan" _Peter's voice said.

"What the?" Ryan whispered, as he looked around.

"_I'm your conscience, Ryan take them, and you need them more than me" _'Peter' answered. Ryan sat on the bed and he rolled his sleeves, he then put on the web shooters. He found a piece of paper. _It must be the web fluid formula. _Ryan thought.

"_Correct" _'Peter' replied. _Are you haunting me?_"

"_What else am I gonna do?" _'Peter' quipped.

Ryan decided to jump off the roof of Stark Tower, to see if the web shooters work and sure enough they worked.

"WHOO!" Ryan screamed as he was propelled, forward. _Spider-Sense. _Ryan thought and he then spun a new web and he planned a course to Madison Square Gardens.

When Ryan arrived at his destination, he surveyed the area and saw three criminals shooting at police officers. So he swung in and knocked out one criminal, with a double kick.

"Now, didn't your mothers teach you not to point guns at people?" Ryan joked. _Okay I need good material._

"_Definitely" _'Peter' replied. Ryan web yanked a criminal's gun out of his hands and knocked him out by spinning 360 degrees and whacking the gun on the criminal's face.

"Oh hell-MMPH" Ryan webbed up the criminal and dangled him from a flag pole.

"Thanks for the assistance Spider-Man!" An officer shouted.

"Always happy, to help" Spider-Man replied and he swung off, heading back to Stark Towers. Ryan changed out of his costume and entered Stark Towers and, the first person he saw as soon as he stepped, out of the elevator was Liz.

"So do you like your new equipment?" She asked Ryan.

"Yeah, they're awesome" Ryan answered. Then the thought of seeing Peter Parker's costume in his locked flashed in his mind again.

"I saw something in my locker and it's bizarre" Ryan told Liz.

"How bizarre?" Liz asked, Ryan sat down next to her.

"It wasâ€¦| Peter Parker's costume" Ryan answered.

"What?" Liz asked Ryan.

"I'll show you it is still in there" Ryan answered.

"Jarvis, watch over my kids" Liz said very seriously, she stood up and grabbed a jacket.

****5 Minutes later****

Ryan swung Liz to the entrance of Midtown High, since it was after hours he could not get in.

"Great" Ryan grumbled.

****The next day****

Ryan woke up, and he instantly put on his costume and some, clothes over it.

"Morning dad" Ryan said, as he walked downstairs.

"Morning son" Ryan's father replied, with a hug, which Ryan accepted.

"Have a good day at school" Ryan's father said as Ryan walked out the door. Then Ryan changed out of his clothes, once he was out of view of any people that might be watching, and he put on the rest of his suit and he started swinging towards school, where he is going to meet Liz.

Once he got there he spotted Liz waiting at the front gate, a lot of people were talking to her and how, they are sorry about Peter.

"Well come on, I don't have all day" Ryan said as he walked past Liz, then she began to follow Ryan to his locker.

"Well here's my locker" Ryan told Liz as he approached it, he put in his combination, he made sure no one was looking, then he opened his locker and Peter Parker's costume was there dangling.

"H-How is his costume here?" Liz asked Ryan.

"I don't know" Ryan answered, as Liz collected the costume and neatly put it in a bag. Then his Spider-Sense fumed. _Uh oh, who would alert my Spider-Sense?_

"_The only person smart enough to put two and two together" 'Peter' answered. Osborn but how? Shield captured him. _Ryan thought and that is when he realised the voice of Peter Parker is the problem solver, part of him. Then Osborn burst through the ceiling.

"RUN!" Ryan screamed, he used the distraction to run out of the school, so he could get changed without arousing suspicions.

"Big time hero, coming through!" Spider-Man exclaimed, as he, swung above the heads of students and teachers, the outside of the school was full of holes and smoke was pouring out. _Wow just like the first time Peter fought the goblin. _Ryan thought, as he smashed through a window, and landed in a crouch position. Immediately his Spider-Sense, went off Spider-Man, didn't have enough time to react, so he was hit square in the chest with a locker.

"Ah!" Spider-Man shouted, he was sent flying outside. He stood back up and saw police officers have barricaded the area, but the students and teachers were watching the fight. Spider-Man's Spidey-Sense went off, and jumped up in the air, Green Goblin landed where Spider-Man was previously. _Thank god for Spider-Sense. _Spider-Man thought. Then ah he was falling back down he readied his fists and slammed both of them on the back of, Green Goblin's head, which knocked him out cold, then a swarm of Shield soldiers arrived and bagged Green Goblin who has reverted to Norman Osborn.

"Hi are you Spider-Man?" Ryan heard a voice say, he spun around, and he saw Jean Grey and Charles Xavier.

"Yes, I am" Ryan answered cautiously.

"I'm Charles Xavier" Charles told Spider-Man.

"Charles detected you on Cerebro, while you are not a mutant we would like you to be in our school" Jean informed Ryan, under his mask his eyes went wide.

"I'd love to, but what about, my father and my girlfriend they don't know about, me being Spider-Man, except Liz Allen" Ryan replied. Charles stroked his chin.

"You have to tell them" Jean said, Ryan sighed, he looked over at the crowd of people and saw Riley crying into one of her friend's shoulders as he is nowhere to be seen.

"Okay I'll tell them" Ryan said, and he swung away, the first person he would tell would be his father.

"Where's my son!?" Ryan heard his father shout his father shout. Ryan swung behind the crowd.

"Mr. Hendricks! Riley Adams!" Ryan shouted, the two came to Ryan, he led them to a private area.

"Where's my son?" Ryan's father asked.

"That's what I want to talk about" Ryan answered, he grabbed the front of his mask and yanked it off, when Ryan's father saw him, he shook his head in disappointment.

"Don't even bother coming home" Ryan's father said.

"Well, you can send my things, to Westchester specifically the X-Mansion" Ryan replied, his father walked away, then he turned to face Riley who had anger filled eyes.

"We're done!" She exclaimed, then she slapped Ryan. _You made the right choice, both of you. _Ryan thought as he put his mask on, and saw Jean and Charles were already at Ryan's position.

"Come on let's go" Ryan said emotionless.

8. Chapter 8: New Life

Ryan still in costume, swung over to his new home and his new school: Mutant High. That is what Ryan had nicknamed it. He entered the school through the front gates and web zipped to the front entrance. Before he could knock on the door Jean opened it.

"You are lucky I told you to come during classes or else students would've swarmed you" Jean informed Ryan.

"Why?" Ryan asked.

"Well, you are Scarlet-Spider-Man" Jean answered.

"It's Spider-Man" Ryan corrected Jean. She led Ryan to her room she nodded and Ryan, took off his costume and put on his normal clothes, then he stepped out of his room.

"Ryan" He jumped, a little but was relieved to see that it was

Charles Xavier.

"You're a telepath" Ryan stated and Charles nodded. _So he must know I'm Spider-Man. _Ryan thought.

"Indeed I do" Charles said.

"You must be the new kid, my name Kitty Pryde" Kitty said as she shook Ryan's hand.

"Ryan Hendricks" Ryan replied.

"Oh and Charles how come you haven't found Spider-Man yet?" Kitty asked.

"Well Kitty Cerebro, has found him but we haven't made any arrangements" Charles answered then he glanced at Ryan, with a cheeky grin.

"So welcome to your new home" Kitty said.

"Can I meet the rest of the team?" Ryan asked.

"What do you mean?" Kitty asked.

"You're wearing a uniform of some sorts" Ryan answered.

"Oh, that teamâ€¦ I take it Jean came in the same uniform" Kitty replied.

****Manhattan****

Riley was pacing in her room as she had not heard from Ryan since he had saved the school from Green Goblin. She was deeply worried, about hi no one had seen him since. _Maybe he's just vanished. _Riley thought, as she sat down on her bed, as she was praying that she would get a call from him to say that he is okay and out of harm's way.

She decided to call his home phone number.

"Hello?" Ryan's father asked.

"Hey do you know where Ryan went?" Riley asked.

"Westchester" Ryan's father answered and then he hung up, as he was uncomfortable about talking about his son. _Why would he be there? _Riley asked herself.

****Westchester****

After getting to know Kitty, well Ryan retreated to his room to properly arrange his things, he decided to wear his costume under his civilian, clothes just incase there was an emergency. then he heard knocking on the door. He tucked his mask in his pants. Then he answered the door, Rogue one of the students was there to greet Ryan.

"Hi" Ryan said.

"I'm Rogue" Rogue replied.

"I'm Ryan" Ryan informed Rogue.

"What are your abilities?" Rogue asked Ryan.

"I have enhanced strength" Ryan answered as he lifted his bed with one hand, Rogue was stunned to see Ryan's strength.

"That's impressive" Rogue said as Ryan placed the bed down, with a loud thud then Rogue left so Ryan could continue to unpack his things, he found his spare costume and he placed it on his bed.

"Hi Ryan" Kitty said as she walked through the door, that caused Ryan to jump.

"Hey what's that on your bed?" Kitty asked.

"That's my costume" Ryan answered reluctantly.

"Costume?" Kitty asked.

"It's a spare" Ryan answered. Kitty then walked over to the costume and she picked up the mask, and looked at it.

"You're, the new Spider-Man?" Kitty asked.

"Yes" Ryan answered. Then Ryan could hear a bell go off.

"It's break, maybe you should put on your mask and walk around the school" Kitty said.

"No Kitty, I don't want to be swarmed" Ryan replied.

"Yeah because every student in the school including me are very big fans" Kitty told Ryan.

"I might go to Manhattan for a while" Ryan said as he removed his clothes and he put on his mask and gloves., he opened his window and he vaulted out of it and began, his way to Manhattan.

When Ryan arrived he decided to go to his father's house to see if anything had been missed, he climbed in through his old bedroom window and saw that a photo of him and his mom was still there so he grabbed it and, then his Spider-Sense went off and he swung towards the danger. He saw two thugs tailing Riley. Before the thugs could spring an attack on Riley, Spider-Man webbed yanked the thugs into his grasp and he slammed them on a wall, and webbed them up except their faces. Riley then turned around after hearing the commotion.

"You're welcome" Spider-Man told Riley, he was going to swing off, but Riley grabbed his arm.

"Why are you in Westchester?" Riley asked.

"Because I have a new home there, with people like me" Ryan answered, as he forcefully yanked his arm out of Riley's grasp.

"Don't you want to talk?" Riley asked Ryan.

"Yeah, we can talk some place private" Ryan said as he grabbed Riley by the waist and he swung, to a nearby rooftop.

"I miss you" Riley told Ryan as she placed her hands on his shoulders.

"I... miss you as well, Riley and I get it that you don't to be with me, because of all the dangers" Ryan replied.

"At least you understand" Riley said.

"But we can always be friends?" Ryan asked.

"Yes we can be friends" Riley answered. Then Ryan's Spider-Sense went off and within a heartbeat Ryan swung, Riley to the street below and he immediately went to pursue the danger. Judging from the Spider-Sense it is a high speed car chase. Spider-Man thought, as he started to hear police sirens.

Spider-Man found the high speed chase, he web zipped from car to car until he landed on the criminal's car. Spider-Man saw all the windows were tinted so he smashed the glass and what he saw truly terrified him.

****BOOM!****

9. Chapter 9: Healing Wounds

The last thing Ryan could remember is and explosion and nothing else, he had lost his memory of being a teenager but his memory of Spider-Man lived on.

"Why do I feel like I have a double life?" Spider-Man asked himself, as he stood up, he realized half his mask was destroyed, and his upper torso was, nearly gone. I got to get somewhere where people won't see me. Spider-Man thought as he swung, onto a nearby rooftop. He was bleeding severely, and he knew he could not go to a hospital, because his identity would be exposed for the world to see. I'm doomed. Spider-Man thought, as he gazed at his blood dripping from his body. Then visions of a room and a mansion came into his, mind. Westchester must get to Westchester. Spider-Man thought.

****Hours later****

A battle damaged Spider-Man, swung his way to Westchester, and he had gotten too pale. He reached the gates, of the mansion, he was slowly stumbling, and limping to the entrance.

"HELP!" Spider-Man managed to scream before falling on his stomach, Spider-Man howled in pain as he rolled over, onto his back. All I wanted to do, was help clean up the city. Spider-Man thought. He realised it was night so he, painfully stood up and, continued his journey to the entrance, he tried to open the door, but it was locked, so with what strength he had, he busted down the door. He coughed out blood.

"Children stay in your rooms" Spider-Man heard a voice say. But the students did not listen. They accompanied Scott, to the entrance and they were horrified to see an injured Spider-Man, lying on his stomach.

****Sometime later****

Spider-Man ha awoke from his sleep, he felt much more rested and better, he sat up and strapped himself free from the heart monitor, he stood up and began to wander around.

Spider-man found his way, to his room and he decided to put on his spare costume, he looked at the clock, and saw it was only six in the morning. _I have to heal before I go back out. _Spider-Man thought, then he looked at his bandages, they were blood stained. He put on, his costume. Then he fell into a deep sleep in his bed.

****An hour or so later****

Spider-Man woke up, it was ten in the morning. Then there was a knock on his door, he pulled out a photo out of his hidden pocket, he looked into it and saw a photo. _Mom? _Spider-Man thought, then he felt a surge of pain in his head.

"AHH!" Ryan shouted as he clutched his head.

"Ryan?" Kitty asked from behind the door.

"Momâ€¦ I'm so sorry, please forgive me!" Ryan shouted and then he fell on the floor unconscious. Kitty the walked through the door and gasped, then she walked back out of Ryan's room.

"Help, somebody Ryan's unconscious!" Kitty shouted, Emma Frost another telepath, heard kitty's cries and she came, straight away she went into Ryan's room and placed her hands on the sides of Ryan's head, she read his mind.

"He remembers everything now, it's just the process was painful and caused him to blackout" Emma told Kitty, she was relieved. Emma left and Kitty sat down on the floor next to Ryan. Then his eyes opened, then he sat up. Kitty swore she could have kissed him right then, and there. Instead she gave him a gigantic hug. Ryan hugged Kitty back. _God she is beautiful. _Ryan thought as he stood up, he also stretched a little.

"I'm just so happy that you're okay" Kitty said and she hugged Ryan, he felt a tear drop, on his shoulder.

"Oh crap" Ryan said, he pulled out his phone and dialled Riley's number. _Pick up, pick up. _Ryan thought.

"Hi this is Riley sorry I couldn't make it to the phone, leave-"

"AUGH!" Ryan screamed and in anger he smashed his phone to pieces. That caused Ryan to scream in anger even more.

"Just, fucking great" Ryan muttered, as he sat down on his bed, followed by Kitty, she rubbed circles on his back and she pulled him in for a hug.

Ryan tuned on the T.V

"Unconfirmed reports say Spider-Man, was caught in the blast radius, and his body was vaporised, in the explosion" Whitney Chang said, Kitty, turned off the T.V.

"When you're healed up, good and proper, you'll make your comeback" Kitty reassured Ryan.

"Ryan, you're following Kitty's timetable, on weekdays we do the normal subjects and on weekends we focus on controlling our powers" Scott said, as he leaned on the entrance of Ryan's room. Then he left.

"Oh, the second class of the day, starts in ten minutes" Kitty informed Ryan, as he took off his mask to reveal bandages, which are bloodstained.

"I'll go get some fresh bandages, for your face" Kitty told Peter she stood up.

"What about my torso?" Ryan asked.

"Fine, Ryan but you're bandaging your lower body yourself" Kitty answered, as she exited Ryan's room, then Ryan put his mask back on. Then a kid peered his head in through the door way and Ryan was thankful, he put on his mask.

"Oh my god" the kid gasped as he saw Spider-Man in his spare costume. _3, 2, 1. _Ryan thought.

"Bobby! Come here!" the kid exclaimed.

"Shouldn't you guys be in class?" Ryan asked.

"Yeah you should be in class, now shoo" Kitty answered as she came back with fresh bandages, she closed and locked the door behind her to, prevent further interruptions

"You know they are going to find out eventually" Ryan told Kitty as he took off his mask and torso, Kitty looked, at Ryan in awe, as she was staring at his upper body, the she quickly snapped out of her trance, and began to, take off the bloodied bandages.

"It still hurts a lot" Ryan hissed, in pain, as Kitty accidentally, brushed up against one of his many wounds.

"I'm surprised you're alive" Kitty replied

"I'm surprised my body still functions" Ryan told Kitty as she finished removing the bloodied bandages from Ryan's torso, the blood, was still wet, but it stopped bleeding. Kitty then began to apply the new bandages, to his torso once his torso was bandaged, Kitty bandaged his head and Ryan he bandaged his lower body. Then he put on his costume and, put on his web shooters.

"So are you gonna tell the others that you're Spider-Man?" Kitty asked Ryan.

"They'll find out one way or another so I should, be the one to tell them" Ryan answered.
